

Special Collaboration Between
PT. MNC Vision Networks Tbk
& **CATCHPLAY+** in Introducing
"The Real Movies Spot For
Movies Mania"

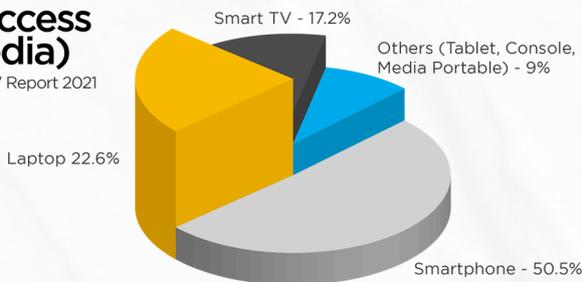

Jakarta, 19 October 2021 – CATCHPLAY+ and Indonesia’s leading subscription based media group, MNC Vision Networks Tbk (“MVN” or “the Company”), have agreed to collaborate in providing the highest quality content and extending to reach more Indonesian OTT viewers. Starting today, subscribers of the Company’s various platforms, including premium DTH Satellite Pay TV (MNC Vision) and Prepaid DTH (K-Vision), IPTV & Broadband provider (MNC Play and PLAYBOX), which are subsidiaries of MVN, can enjoy various CATCHPLAY+ content directly from the TV screen (via STB), iOS/Android application, PC and other mobile web browsers.

MVN has over 12 million customers across their several business units and is part of the broader MNC Media Group. MNC Vision is the pioneer of premium DTH Pay TV in Indonesia and is currently the largest post-paid DTH operator in Indonesia. Meanwhile, MNC Play is a fiber based fixed broadband and IPTV provider covering 1.5million homes passed and with 300,000+ subscribers to date.

The collaboration with MVN is a form of breakthrough strategy carried out by CATCHPLAY+ in the midst of the pandemic. “We have previously collaborated with several leading ISPs, Pay TVs and Telcos. Now, by collaborating with MVN, we hope it will be easier for more viewers to access CATCHPLAY+'s featured content," said Daphne Yang, CEO of CATCHPLAY Group.
